Sir/Madam,

It has been noticed by the Directorate that the Circles are routinely referring maturity claim cases for regularization where the depositor had made an investment in the Post Office Savings Bank schemes in contravention of the rules. All such cases of regularization need to be referred to Ministry of Finance which in its capacity as the nodal ministry that operates all the Post Office Saving Schemes, has the power to relax the rules.

2. The Post Office Savings Schemes offer higher rate of interest than the interest rate prevailing in the market. Therefore, there is an element of subsidy provided by the Ministry of Finance while fixing the interest rates on these schemes. It is for this reason that the schemes have features like, investment limits or limitation on the persons/institutions who can invest in this scheme. The Ministry of Finance is of the view that the higher rate of interest provided on the scheme should not accrue to any one other than those who are eligible. In view of this, they are inclined to examine all such cases of irregular issue so that except for those, which are genuine, the rest are not funded from the Post Office Savings Fund.

3. It is directed that Circles, Regions and the Divisions shall pay attention during inspections that the schemes are delivered/sold to only eligible persons as in the near future the responsibility of any irregular issue would lie only on the Department of Posts, and the Finance Ministry is not inclined to spread subsidy on any ineligible issue. Wide publicity should be given to all Post offices in the Circle that encashment of ineligible issues will not be encouraged.

4. It is requested that the contents of this order may be circulated to all concerned for information, guidance and necessary action.

5. Kindly acknowledge receipt.

SUBJECT: Senior Citizens Savings Scheme, 2004 (SCSS)—clarifications regarding.

The undersigned is directed to say that this Ministry has been in receipt of various suggestions and queries from various quarters seeking clarifications in respect of various provisions of the Senior Citizens Savings Scheme, 2004 (SCSS). These suggestions and queries have been examined in this Department and necessary clarifications are issued as under:

<table>
<thead>
<tr>
<th>ISSUES RAISED</th>
<th>CLARIFICATION</th>
</tr>
</thead>
</table>
| 1. How to calculate interest for broken period (less than a quarter) | Interest for any period less than a 'quarter' (as prescribed under the rules) shall be calculated as per the following formula:  
\[
\text{Number of days} \times \text{yearly rate of interest} \times 365 \text{ or } 366 \text{ (in case of a leap year)}
\] |
| 2. Subscribers may be permitted to obtain Loans by pledging the deposits/accounts under the scheme. | The facility of pledging, available in respect of few other small savings schemes, cannot be provided in respect of SCSS as the subscriber of a pledged account will not be able to withdraw the interest amount periodically, defeating the very purpose of the scheme. |
| 3. Premature withdrawal / partial withdrawals may be allowed for emergent medical treatment. | The facility of premature withdrawal/closure of account after one year is already permissible under rule-9 of the scheme. It is not possible to allow premature/partial withdrawals for any specific purpose before completion of one year.  
However, in case it is felt that any provision(s) of the scheme is/are causing undue hardships to any subscriber, this Ministry may consider requests of such subscriber(s) for premature closure of accounts before completion of one year on a case to case basis depending on merits, in relaxation of normal rules provided the case(s) is/are specifically recommended by Financial Advisor (Posts) / Member (Development), Postal Services Board in respect of Department of Posts and Chief/General Manager, in charge of Government Accounts Department in the case of banks. |
| 4. How to calculate the 30 days’ period after receipt of retirement benefits when benefits are received in piece meal on different dates. | The facility of opening multiple accounts is already available under the scheme. The retired person can open more than one account, on receipt of the retirement benefits in piece meal, provided the relevant account is opened within one month of receipt of the particular retirement benefit. |

Sub: Verification / Attestation of Savings Bank account holders’ signature by Post Office reg.

Sir/Madam,

A number of cases have been received in Directorate wherein the depositors have requested the Post office for verification / attestation of their signature as the same is required by Government Departments / Public Sector Organizations / Banks / Companies etc. These offices have insisted on verification of depositors’ signature by the authority holding their SB account i.e. the Post Offices in cases where the depositors’ signature does not tally with signature in the original records of Banks / Company / Public Sector Units / Government Organization. The depositors have further requested that Post Offices may consider giving such attestation / verification as some banks too give such verifications as and when requested for to their account holders on certain charges.

2. The matter was examined and the undersigned has been directed to communicate that in future Post Office shall verify / attest the signature of their account holder on request and in turn charge a fee of Rs. 10/- for doing so from the account holders. This step will not only meet customers’ requirement but also become a new channel for revenue generation.

3. The holder shall pay the prescribed fee of Rs. 10/- for each verification / attestation. This fee will be realized in cash and credited under unclassified receipts (UCR) as a general revenue of the Government of India.

The Head of Account duly approved by PA wing for this scheme will be as under:-

Sub: Sanchayika accounts - reg.

Madam,

Keeping in mind the recent amendment to the Government Savings Banks Act, 1873 whereby investment by all juridical persons in various small savings schemes has been discontinued with effect from 13th May, 2005, it has been decided to make the following modification with regard to the operation of the 'Sanchayika' scheme under which children in schools/colleges are encouraged to save through a savings bank set up in the school/college. In lieu of the present system whereby the savings of the students are deposited by the Sanchayika (school/college Savings Bank) in a post office savings account in the name of the school/college or in the name of the Sanchayika itself, fresh account under the scheme may be opened or the existing account may be commuted in the name of the principal/teacher and two students not less than 10 years of age. These accounts will be designated as 'Sanchayika' accounts and will be opened and operated by the three individual depositors jointly. In case any of the depositors leave the school, their name would be substituted by others with the authorization of the Principal. The account would be supported by a copy of the resolution establishing the Sanchayika as hitherto fore.

Public Provident Fund, shall be treated as void \textit{ab initio} and immediate action should be taken to close such accounts/certificates and to refund the deposits without any interest to the depositors.

5. It may, however, be noted that the above amendments shall not be applicable to the existing accounts/certificates opened/issued in accordance with the rules in operation prior to the amendments dated 13th May, 2005. These shall continue till maturity and deposits/withdrawals in/from these accounts shall be allowed to be made in accordance with the said rules.
