Subject:- Taking of Know Your Customer(KYC) documents at the time of credit of maturity value and cash withdrawal from savings account opened without KYC documents.

Sir / Madam,

The undersigned is directed to say that after removal of ceiling of maximum deposit in Post Office Savings Account, it has been observed that the possibility of fraud is more due to the fact that so far, KYC norms are not applied to Savings Accounts opened prior to introduction of AML/CFT norms in Small Savings Schemes. In order to curtail this possibility, following guidelines are being issued:-

1. In case, any depositor/holder/subscriber desires to credit maturity value of his Savings Instrument into a Post Office Savings Account opened prior to introduction of AML/CFT Norms i.e without taking prescribed KYC documents, full KYC documents are to be obtained as per Risk Categorization (based on the amount being credited) before allowing credit of maturity value into savings account. Similarly, if a new Savings Account is opened to facilitate credit of maturity value, KYC documents are to be taken as per Risk Categorization based on the maturity Value being credited.

2. In case, an amount of Rs.50,000/- or above is withdrawn by cash from any savings account, full KYC Documents are to be taken as per Risk Categorization (based on the balance in Savings Account at the time of withdrawal) if the account was opened without taking any KYC documents. In case the account was opened with KYC documents prescribed for lower category of accounts and the balance in the account at the time of withdrawal is more than the amount prescribed for that category, additional KYC documents should be obtained as per the revised category of account.

3. It is requested that necessary instruction may be issued to all field units as well as inspecting/visiting officers to implement the fresh guidelines.

2. The documents such as Death Certificate, Power of Attorney etc. executed before a Notary, Solicitor, agency or any other person or authority competent under the law of the State of origin of the above countries need no authentication from the Indian Consular office in that country.

3. Some field units are sending copy of Death Certificate issued in the foreign country to this office for verification from the country of origin. It is clarified that when duly signed and stamped document from any of the above countries is submitted, no further verification is required. It is already prescribed in rule 87(9)(iii) that payment of the claim to a claimant residing in a foreign country will be made to the holder of Power of Attorney in India. The sanctioning authority should compare the original document with the self attested photocopy (if the same is not attested by a Gazetted Officer) and record under dated signatures with stamp “Compared with original”. It is further clarified that ID and Address proof of claimant and acceptance of two witnesses as well as payment by a crossed cheque are sufficient safeguards to stop fraudulent settlement of claims. As such, there is no need for verification of either Death Certificate or Power of Attorney issued by the above noted countries.
4. This office is also receiving complaints regarding delay in payment of certificates or other financial instruments where investors or depositors have gone abroad. It is clarified that any depositor/investor who opened account or purchased certificate in India and went abroad thereafter, he/she can give Power of Attorney to anybody in India to receive payment on his behalf. In case anybody presents Power of Attorney issued from any of the above noted countries, there is no need of any further verification or authentication before making payment. However, proper identification of the Power of Attorney holder should be taken before making payment.

5. It is requested that necessary instruction may be issued to all field units as well as inspecting/visiting officers to implement the fresh guidelines.

Subject:- Introduction of the depositor at the time of opening of saving account-a clarification regarding.

Sir / Madam,

The undersigned is directed to refer to this office letter no. 113-06/2002-SB dated 12.4.2007 (SB Order No.2/2007) vide which detailed procedure for taking introduction through a prescribed document was reiterated. This office is still receiving complaints regarding insisting of introduction by a person for opening of savings account by some post offices.

2. It is once again clarified that introduction of the depositor by a person is not mandatory. Subject: - Change in text of column No.2 printed in the Standardized Uniform Savings Bank Passbook from Page No.2 to 24.

Sir / Madam,

The undersigned is directed to refer to this office letter of even number dated 16.4.2009 vide which draft of Standardized Uniform Savings Bank Passbook was circulated along with instructions. In the instruction No.10 enclosed with this letter, it was conveyed that “in computerized post offices where passbook printers are used, putting of date stamp against each transaction is now discontinued. However, this will continue for other offices where entries are made manually”. Now this office has been informed about a fraud detected in a EDBO where BPM failed to put date stamp against each transaction in uniform passbook on the plea that there is no column of date stamp in the passbook. In view of this, it has been decided to make provision for the date stamp by altering the text of column No.2 i.e. “Particulars of Transaction” printed from Page No.2 to 24 with the following text:-

“Particulars of Transaction/Date Stamp (in case passbook printer is not in use and entry made manually)”

2. It is once again clarified that putting of date stamp against each transaction is still mandatory in the passbook/uniform passbook where the entries are made manually.

3. This clarification may please be brought to the notice of all field units including EDBOs.

4. This issues with the approval of DDG(FS).
