This is to inform that India Post and Finland Post have agreed to exchange EMS items on the basis of EMS Standard Agreement (Multilateral). Booking of outbound international Speed Post articles meant for Finland may, therefore, commence.

2. Postage for International Speed Post (EMS) from India to Finland, both document and merchandise, will be Rs. 1310 for first 250 gms or part thereof and Rs. 100 for every additional 250 gms or part thereof.
3. CEPT Mysore shall accordingly make an addition to the rates published on the India Post website immediately. CEPT Mysore may also arrange to publicise this prominently on India Post website for information of customers and general public.
4. All Heads of Circles are, therefore, requested to impress upon all concerned Post offices to start booking International EMS items destined for Finland. The terms and conditions applicable to other International EMS items are applicable to EMS items destined for Finland.
