Foreword

I am happy to present before you the Civil List of the Indian Postal Service as on 01.01.2019.

2. Indian Postal Services (IPoS), one of the important Group "A" Central Civil Services of the Government of India, was formed in 1948. Presently the sanctioned strength of Indian Postal Service, Group "A" is 561. The officers of the service are responsible for the administration of almost 1.55 lakh Post Offices in the country and management of about 4.33 lakh employees in the Department of Posts for providing postal services to more than 1.30 billion people of India. The officers' cadre of the Army Postal Services (APS) Corps is also manned by the IPoS officers and they take care of the postal needs of the Armed Forces. Presently 44 IPoS officers are also on deputation to different Ministries/Departments of Central/State Government. After the sixth cadre review, the promotional prospects of the officers are one among the best as compared to the different Central Civil Services of the Government of India.

3. The previous Civil List was published as on 01.10. 2016. The present list as on 01.01.2019 has been updated as per the information available with the Personnel Division, inputs received from the Circles and individual officers. Suggestions for further improvement are always welcome.
