FOREWORD

The Civil List of the Indian Postal Service is a very important document which provides information related to all the members of the Indian Postal Service Group 'A'. The information has been further updated as on 01.01.2025.

2. The Indian Postal Service, a premier Group 'A' Central Civil Service of the Government of India, was formed in 1948. It is responsible for managing the administration and day to day functioning of the largest postal network of the world. The officers are responsible for management of delivery of mail, parcels, financial services and citizen-centric services across about 1.65 lakh post offices to the 1.4 billion people of India and services to others across the world. The service delivery is supported by a robust mail and parcel sorting and transmission system and IT backbone, with about 4.5 lakh employees rendering the services.

3. I hope all the stakeholders will find this Civil List informative and useful. Suggestions, if any, to improve the format are welcome.
